6. Please list Occupations within the scope of the 2021 Targeted Update where the current skill level assigned in [ANZSCO v1.3](#) does not accurately reflect the occupation's skill level.

For each Occupation please address the following:

- a) Outline the [skill level](#) (1-5) that should be applied to the occupation.
 - b) Detail why the change in skill level is justified. For example, have the education or training requirements or licensing requirements changed?
 - c) Describe how the inaccurate skill level impacts your industry, sector or business.
 - d) Include any evidence (such as occupation data, industry workforce surveys, job vacancy data, or workplace awards) to support the change
7. Please list Occupations within the scope of the 2021 Targeted Update where the current title, alternative title, definition, specialisations, licensing or registration requirements as used in [ANZSCO v1.3](#) are not accurately described.

For each Occupation please address the following:

- a) The new title, alternative title, definition, specialisations, licensing or registration requirements (whichever applies).
 - b) Include any evidence (such as industry workforce surveys, workplace awards, job vacancy data, industry workforce planning documents) to support the proposed change.
8. Please list Occupations within the scope of the 2021 Targeted Update that should be separately identified.

For each Occupation please address the following:

- a) Describe the occupation, the tasks involved; relationship to other [ANZSCO v1.3](#) occupations; any registration or licensing requirements and education and experience requirements; and skill level (1 to 5).
- b) Indicate the number of people that undertake the occupation in your industry, sector or business. What is the source/basis for this estimate?
- c) Estimate the number of people that will be required to undertake the occupation in 5 years' time in your industry, sector or business.
- d) Outline how you currently classify this occupation using the existing [ANZSCO v1.3](#) occupation classifications.
- e) Would adding this occupation as a specialisation to an existing ANZSCO occupation category would meet the needs of your industry, sector or business? Why? / Why not?
- f) Explain how the omission of the occupation as a separate category in [ANZSCO v1.3](#) impacts your industry, sector or business.
