5. Phone Number
6. How did you find out about the 2022 update of ANZSCO?
  - Direct approach from the Australian Bureau of Statistics (ABS)
  - Direct approach from another government agency
  - Found information on the ABS website
  - Stakeholder network
  - Personal networks
  - Other (please specify)

7. Are there construction-related trades occupations currently included in ANZSCO that are **not accurately described**?

Refer to the construction-related trades occupations information paper (*under the **Related heading***) for the list of occupations **within scope** of the 2022 update of ANZSCO.

For each occupation:

- a. Provide a new title alternative title, definition, specialisations, licensing and/or registration requirement (whichever applies).
- b. Include any evidence (such as industry workforce surveys, workplace awards, job vacancy data, industry workforce planning documents) to support the proposed

change.

8. Are there construction-related trades occupations in ANZSCO that **do not accurately reflect the occupation's skill level**? Refer [here](#) for more information on skill level.

For each occupation:

- a. Outline the skill level (1-5) that should be applied to the occupation.
  - b. Detail why the change in skill level is justified. For example, have the education or training requirements or licensing requirements changed?
  - c. Describe how the inaccurate skill level impacts your industry, sector or business.
  - d. Include any evidence (such as occupation data, industry workforce surveys, job vacancy data, or workplace awards) to support the change.
9. Are there construction-related trades occupations in your industry, sector or business that **should be separately identified** in ANZSCO?

Refer to the construction-related trades occupations information paper (*under the **Related heading***) for the list of occupations **within scope** of the 2022 update of ANZSCO.

For each occupation:

- a. Describe the occupation; the tasks involved; relationship to other occupations; any registration or licensing requirements and education and experience requirements; and skill level (1 to 5).
  - b. Indicate the number of people that undertake the occupation in your industry, sector or business. Estimate the number of people that will be required to undertake the occupation in 5 years' time in your industry, sector or business.
  - c. Outline where/how you classify this occupation in the existing ANZSCO.
  - d. Consider if adding this occupation as a specialisation to an existing ANZSCO occupation category would meet the needs of your industry, sector or business. Why? / Why not?
10. Are there construction-related trades **occupations that are emerging**, or you anticipate will emerge, in the next 5 to 10 years in your industry, sector or business?

For each emerging occupation:

- a. Describe the occupation, including tasks involved, relationship to other occupations, any registration or licensing requirements and education and experience requirements and skill level (1 to 5).
- b. Indicate the number of people you expect will undertake the occupation in your industry, sector or business in the next 5 to 10 years.
- c. Explain what is driving the emergence of the occupation.

d. Describe how you would classify the occupation using the existing categories in ANZSCO.

11. Are there construction-related trades **occupations that are declining**, or you anticipate will decline in the next 5 to 10 years in your industry, sector or business?

For each declining occupation, please explain what is driving the decline of the occupation.

12. Is there any **other information** to help support your submission?

Please consider:

- a) Any impacts if the proposed changes are not made to the ANZSCO.
- b) Alignment of your proposed changes to policy, program or statistical/data needs.

13. Are there further issues in relation to ANZSCO that you would like to provide feedback on?
